Dear Mr Sharifi,

The Zone Group is pleased to confirm our collaboration with DesigM LLP for the design and build of Zone laser tag arenas in India, Australia, and the broader Asia-Pacific region.

This confirmation comes pursuant to the meeting held on Monday, 23 April 2018, at the Zone Group's European headquarters (Venlo, The Netherlands), between yourself and Mr. Sean Holmes (Managing Director, Zone Group), and the subsequent projects we have worked on together since that date.

The premiere design and build capabilities of DesigM LLP combined with Zone's innovative entertainment industry offerings provide a great synergy that will deliver tangible benefits to Zone's operators.

This collaboration will allow Zone to offer fully customizable, end-to-end turn-key solutions for world-class laser tag arenas and family entertainment centres.

I am excited about this collaboration between our two entities, and I look forward to working with you in the near future to progress the various activities necessary for our mutual benefit and success.

I look forward to speaking with you shortly, and please feel free to call me (EU: +31 6 43 01 06 19; AU: +61 4 30 37 73 11) or email me (sean.h@lasertag.com) at any time.

Kind regards,

Sean Holmes
